Main Program Panel Discussion

14:00~

The evaluation of Sendai as a livable city is high both from Japanese and foreigners living in Sendai.

However there is not much number of the tourists visiting Sendai.

It is an important problem how to entice foreign tourists visiting Sendai.

Sendai to be loved from the world and to live happily together,how should we act as a citizen of Sendai ?

Sendai to be the city that people can realize a variety of happiness not only livable ~ Sendai to be loved ~
